Homework Grid – Year 3

Autumn Term One 2017 Beech Class

This is our homework grid for this half term. The homework activities are related to our curriculum learning objectives. You can choose to do the activities in any order, but you are expected to complete one homework activity each week. Please make sure that your homework activity is completed and the folder is handed into school on a Friday so it can be marked and returned on the following Friday.

You are also expected to complete your weekly spellings, Maths Passport and continue with reading.

Please speak to your class teacher if your child needs additional copies of the homework grid or resources.
