Homework Grid - Year 4

Autumn 1st Half Term 2017

This is our homework grid for the half term. The homework activities are related to our curriculum learning objectives. You can choose to do the activities in any order, but you are expected to complete one homework activity each week. Please make sure that your homework activity is completed and the folder is handed into school on a Friday so it can be marked and returned on the following Friday.

Remember - you are also expected to complete your weekly spellings, times-tables and continue with reading at least three times a week.

Please speak to us if your child needs additional copies of the homework grid or resources.

= resources provided

<p><u>English</u> Using the sheet, 'Expanding Sentences'. Make the sentences more interesting, using the correct punctuation. Remember to write your sentences in pencil in your best handwriting.</p> 	<p><u>English/Topic</u> Find a family member or friend, such as a great grandparent, who was a child in World War Two. Find out what it was like for them during that time and write a diary entry from their viewpoint. If you cannot find a person, use the BBC website to find out about how children in World War Two felt. Look at the checklist which we used in class.</p> 	<p><u>Topic - World War II</u> <u>Design and Technology</u></p> <p>Design and make your own World War Two gas mask box. Think about what they would have looked like and what they had to carry during this process. But also remember that this would have been a box that you carried around with you everywhere! There is a sheet which you can use to help you if you wish.</p>  
<p><u>Maths</u> Place value - using the sheet, practise writing numbers and identifying the values of the digits. Times Tables - keep learning your multiplication and division facts.</p>
