

NETHERAVON ALL SAINTS C of E Primary School Homework Grid – Year 6

Spring (Term 3 & 4) 2018

Since terms 3 & 4 are both quite short, this is our homework grid for both terms combined. The homework activities are related to our curriculum learning objectives. You can choose to do the activities in any order, but some will be more relevant after specific learning has taken place. You are expected to complete one homework activity each week. Please make sure that your homework activity is completed is handed into school on a Friday. You are also expected to complete your weekly spellings, Maths Passport and continue with reading. These will also be collected, and where applicable tested, on Fridays.

Please speak to me if your child needs additional copies of the homework grid or resources.

= Resources provided
